Dear Marlene,

It sure has been a long time that we had gone together and yet it seems like only a little while. I hope we will always be able to see each other sometime.

It's wonderful to have Christian friends and especially you. Your life has meant much to me. And I pray that God will give you the gift and he will if you stay close to him and I know you will.

Deeply I sure have had good times together. This year has been just wonderful and all.

Well just can't think of anything more to say. But I'll see you a lot this summer and we'll have a grand time.

Just can't wait until camp but I guess I have to.

See you in Bible school tomorrow. I'm glad all that pain is gone. Remember always Praise the Lord and everything will come out Love.

FOREWORD

Rolling wheels turned time
From its lethargic state;
Yet man harnessed power
To these wheels of fate.

Then he built a chassis
With gears to manipulate
This new born vehicle
Of which we now relate.

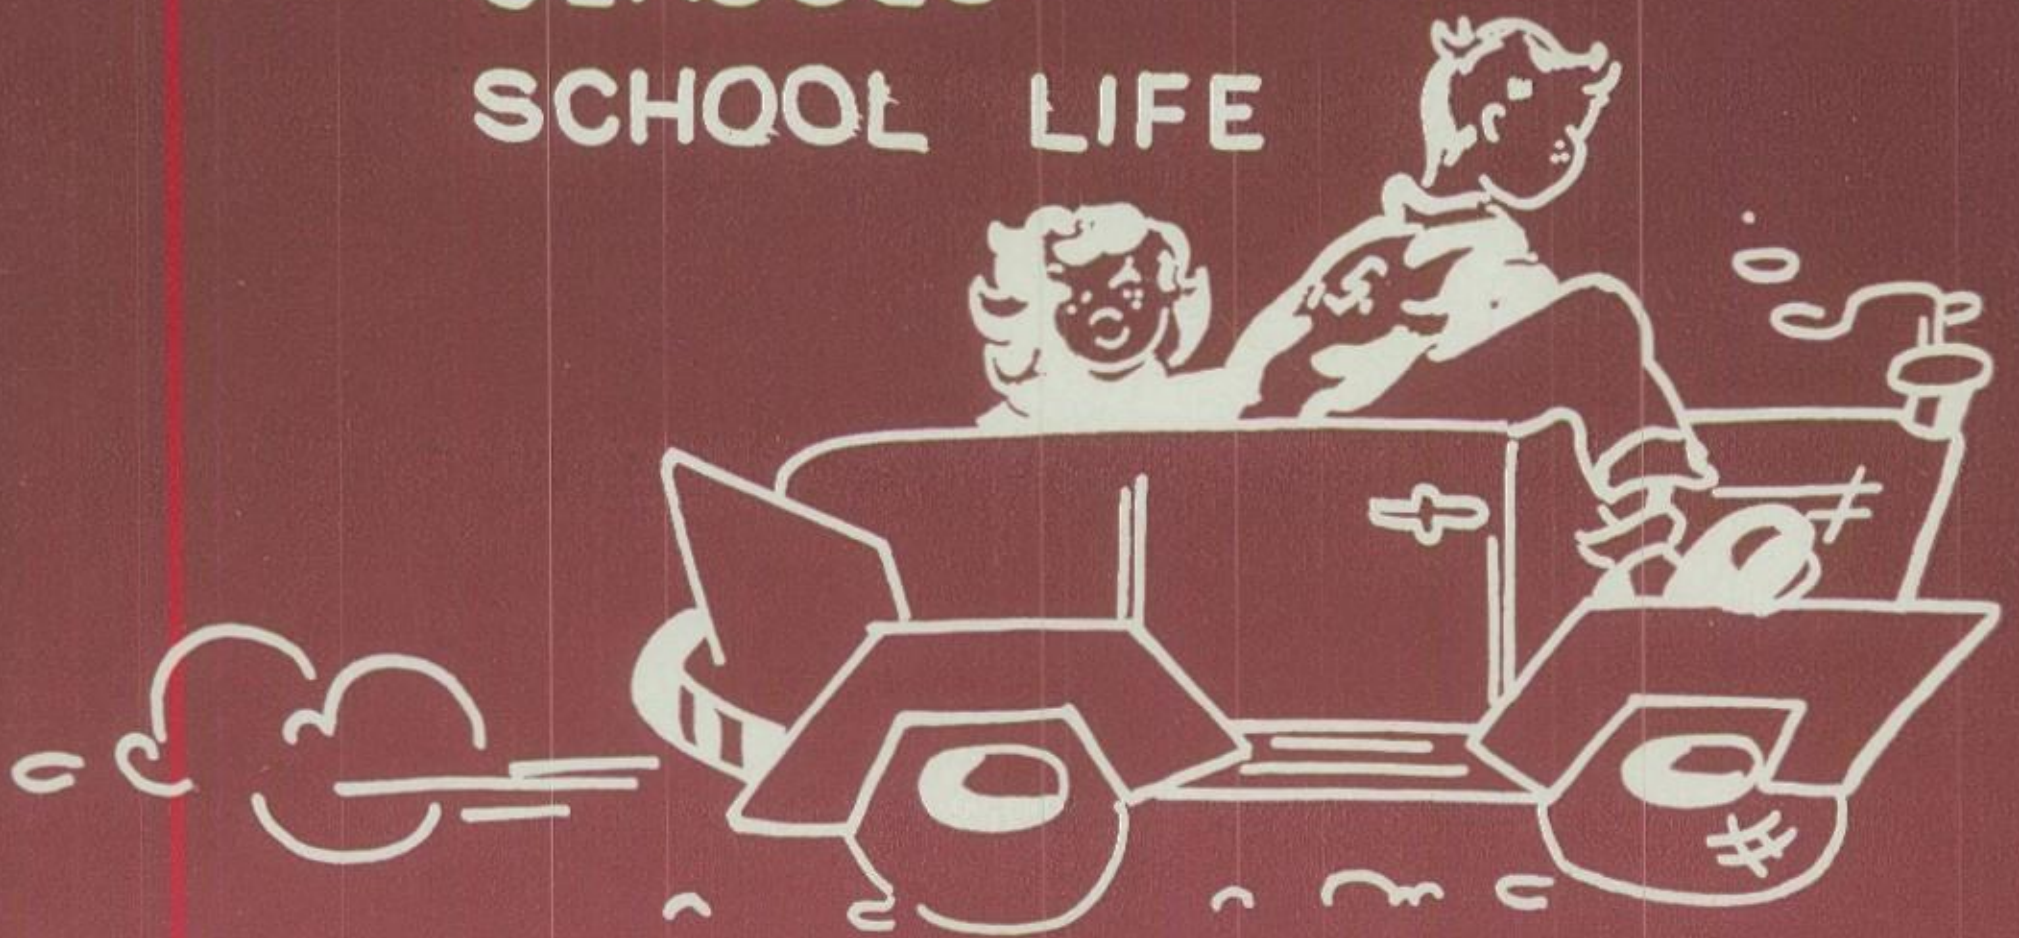

New improvements each year
With emphasis on speed
It soon became evident
An invention would lead.

This was the aeroplane;
But we aren't going far
And have time to visit;
So we'll travel by car.

Our Friendly Cop Is Tops

DR. CHESTER W. WOOD

Behind the wheel, with his attention focused on the road leading to the success of the school and its students, is our principal, Dr. Wood. The seniors this year are proud to be the first class at Denfeld to have had his encouragement for three consecutive years.

New ideas and excellent plans for working together were presented by him during his years at Denfeld. They have proved the model of efficiency, resulting in whole-hearted school spirit and fine sportsmanship. Reflected in the minds and character of all of us are his guiding influence and friendly cooperation in all the events undertaken during the past year. Our esteem can never change for this great leader of Denfeld's youth.

Along Your Ride, They'll Help To Guide

Miss Ethelyn Gruetzmacher, Mary Lou Hunting, Ruby Jarvis.

With pleasant ways and guiding influence, Miss Gruetzmacher, girls' counselor, has become a true friend of Denfeld girls. She has been helpful at so very many of our social doings this year. Being chairman of the vocational program is one of her varied and important tasks.

No problem is too big or too small for the personal attention of genial Mr. Glenn Card. His jovial personality is an asset while he presides at all of our assemblies. Because he is a true friend to every student, he was a favorite chaperon for dances and the Wyandotte trip.

James Krysiak, Mr. Glenn Card.

SOPHOMORE CLASS

We've gone up and down the geometric scale with Euclid, waded over life and death with "Julius Caesar," were amazed that foreign languages are so different, and learned how to relate quickly the inner functions of grasshoppers. Yes, indeed, this first year of Denfeld life has certainly been exciting, informative, and enjoyable. Ever since that day way back in August at the tea, the class of '50 has had a smooth flowing year. This can be traced back to our class president, our officers, and our class advisers. To all of them we owe our thanks.

Our major project this year was the annual sophomore class play. Looking back at it, we all can say that it was one of the most entertaining presentations we've beheld in some time. "The Baby-Sitter" was the title and the cast gave the play a fine

interpretation. A good share of the funds obtained from this project was set aside for the purchase of an inter-school communication system.

The high mark socially of the year was the sophomore party held on the 30th of April. What a party it was! The affair got off to a snappy start at 7:30 with a stage show in the auditorium. After this, all assembled moved up to the gym, and dancing was the order of the evening. Later, lunch was served in the cafeteria. Memories of that occasion will linger long and happily for many years to come.

As our road winds toward the future, we begin to plan for the years ahead. We all remember this year as one that contributed greatly in the molding of our life.

Just One More Year To Go

JUNIOR CLASS

We're the fortunate ones this year. As juniors we can look back upon two spectacular years, but we also can look forward to a bigger and better senior year of events and activities. Our Junior Class has come through with flying colors under the fine leadership of Sam Anderson as president. Ronald Kramnic, Lois Johnson, and Gerald Leavitt, served as our fine officers of 1948.

Suspense and terror gripped the audience as they witnessed the presentation of our class play, "A Murder Has Been Arranged." We express our appreciation to Mr. Joseph Dunn, our capable director, and to the talented and ambitious cast of juniors who made it a memorable performance.

On April 30, the class was the traditional host of Denfeld's seniors at the annual Junior-

Senior prom in the ballroom of the Hotel Duluth. It was a gala evening of dancing to the mellow music of Walt Evans and his orchestra.

Through the combined efforts of Mrs. Genevieve Eby and Mr. Waldemar Johnson, our class advisers, we have been guided through this year of success and accomplishments. Their help in our undertakings is truly appreciated.

Yes, we're looking forward to our senior year with hope in our hearts and duty in our minds. We shall work spiritedly to make certain that our goal as seniors shall be reached. We, as members of the this class, have learned the good of the school and ourselves as a part of that school. We'll be seeing you again next year in the halls of Denfeld and through the pages of next year's "Oracle."

SENIOR CLASS

This is our year to graduate. How quickly and pleasantly we have passed the highway. The three years since that first day in '45 were full of events and activities. It seems but yesterday that we glanced down the long halls and experienced that lost feeling. Overcoming our newness, we rode together right into the sway of events. After this fine year of sports, social affairs, and our play, "June Mad," came our first class party at Denfeld. And then we were juniors and said goodbye to our graduating friends.

Wasn't our junior year exciting? We had a city-championship football team, state championship basketball team, and state champion debaters. We'll never forget any

of these competitions or the social phase of the year. Our play, "Best Foot Forward", and the prom left us breathless but we again bade farewell to the seniors before us.

Now we're the seniors, and we're wishing you the luck and success in your Denfeld years ahead. Again we've been successful. An old fashioned melodrama, "Pure as the Driven Snow," has us laughing still. The prom was beautiful and as gay as a day in May can be. The school, the faculty, and the friends we've made here will be endeared in our hearts as we strive for the goals we seek. The knowledge and skills that we've acquired will make us proud to exclaim, "I'm a graduate of Denfeld."

CLASS SONG

The clock in the tower
Is nearing the hour.
Our days in old Denfeld are ending.
Every laugh and tear,
Every game and cheer
Returns and burns from each golden year.
And may it re-echo,
Long after we go,
The voice of our class still extending
"48" wishes for
Every year yet in store,
To Denfeld endeared evermore.

Girls' Club

By introducing an operetta, the Denfeld Girls' Club has attained city-wide recognition. *Sweethearts*, the operetta by Victor Herbert with a cast of over 300, was directed by Miss Ellen Smith, assisted by Mr. Edgar Felten.

Every girl in the school is a member of the Girls' Club, and each has a chance to take part in any of the many branches of the club.

This year under the able leadership of Mary Skomars, president, and Miss Abby Gregory, adviser, the club has reached high achievements.

Other events of the year included the "Mardi Gras," the couples dance, the cabinet dinner, and assemblies planned by program and social chairmen.

The Senior Farewell, held in honor of the graduating girls, climaxed this fun-packed year.

Power Club

Arousing pep, spirit, and a desire to win has always been the purpose of the Power Club. We all will remember one of their new ideas, Sadie Hawkins' Day, which began in the morning with one of the best assemblies of the year, topped off with a most successful couples dance in the evening. Speaking of assemblies, we can't overlook the traditional Maroon and Gold day. Besides clever skits, boisterous yells, peppy songs and the team's introduction, we were favored with cheers from little Susan Mickolajak, our 1960 cheerleader.

An all-school membership, which was new this year, has proved to be a most successful means of achieving their goal. We have accomplished much under the capable leadership of Marge Schilla, president, and Miss Dorothy Johnson, adviser.

BOYS' UNION

Putting some real punch into the extra-curricular activities this year, the Boys' Union Executive Committee, headed by President Don Butters, left the student body with some long-remembered memories of Boys' Union affairs.

The first event of note was the annual stag dinner, which was acclaimed a success. Following the stag, all efforts were turned towards the Boys' Union Vodvil, which in its finished form reflected the hard work of all who participated. The advertising assembly was declared the best in years.

Representatives of the Boys'

Union also have been helping in other phases of school activity. Committees working together from the "Union" and the Girls' Club planned another successful couples dance which was held April 2. Cosmo Rich and Jack Sommers represented the Denfeld High School in the model youth legislature in the state Capitol.

Other highlights of the year for the "Union" have been the vocational speakers and the style show.

Mr. Brittan, adviser, feels that the year has been one of accomplishments, the Denfeld way—well done.

Hi-Y Club

"—To create, promote, and maintain high standards of Christian character throughout the school and community" is part of the Denfeld Hi-Y Club's pledge, which is stated by its members as part of their weekly Tuesday night program.

Under the leadership of Don Evanson, president, the club has finished a very successful year, building up its membership. All are under the guiding influence of Norman (Mac) McLeod, adviser, and Sigurd Ode, faculty adviser.

Some of the outstanding events of this year were the Faculty-Hi-Y basketball game, a Palm Sunday breakfast, an all-city meeting held at Denfeld, and a banquet honoring the seniors.

ORACLE

Deviating from the usual road, this year's Oracle staff has tried hard to use in our book new features that would make a more interesting tour.

By arranging this tour through Denfeld, we have endeavored to bring to you, your family, and surrounding communities, an idea of the activity and progress of our school.

The production of this book was made possible through the efforts of the staff under Pat Grignon, editor, and Miss Belle Kaake, production adviser. We appreciate the tireless cooperation of the business staff under Janet Olson, business manager, and Mr. C. P. Shulstad, business adviser.

Because of the rising prices in printing and

engraving, this year's Oracle cost considerably more. In order to help meet this added expense, the staff sponsored two profitable dances, the Moonlight Mixer and the Spring Swing.

Not only did we gain valuable experience by working on this staff, but we also have had many good times together, especially explaining cuts, bleeds, and gutters to novices.

One of our main driving points was our division pages. We hope you enjoy them along with the new color scheme.

This year was an eventful one, and we have tried to capture each precious moment and occasion in order to refresh your memory as the years go by.

CRITERION

Completing its first full year as a five column paper, Denfeld's official publication, the Criterion, has attempted to set new standards in attractive make-up and well-balanced coverage this year. Under the helpful guidance of Miss Gatzweiler, and with Roger Rotvig as editor-in-chief, the staff published fifteen issues this past year on an average bi-weekly schedule.

Of course an organization such as the "Cri" demands a lot of bookkeeping. This is handled very capably by the business staff headed by George Rapp and under the advisership of Mr. C. P. Shulstad.

The most novel feature of the Criterion is its method of finance. The "Cri" claims to be the only high school paper which is supported by the school's different organizations, from whom it extracts a small percentage of their yearly

profits. Recent price boosts make it necessary for the staff to supplement this income with a small amount of advertising and a school dance.

To relieve the whole burden of publication from the "in-chiefs," such senior editors as Joan LaFave and Donna Ottensmeyer were appointed to supervise the different pages.

Another important duty of the "Cri" is, of course, to train students in the art of journalism. This has been given an extra boost this year through many interviews with various national celebrities who visit Duluth.

"To help keep Denfeld on the map" is the motto of the Criterion.

We have certainly attained this goal when we received our "All American" rating from the National Press Association this year.

DEBATE

Denfeld's debate team culminated a successful season of debate on the question, Resolved: That the Federal government require arbitration of labor disputes in all basic American industries, by copping runner-up honors in the Minnesota State High School League Tournament on March 5, 1948. The right to participate in this contest was gained when Denfeld won the Region 7 crown for the second successive year at Coleraine on February 17, 1948.

At invitational meets the squad compiled an enviable record. Placing in every major contest, the "A" team, composed of Sheldon Karon, Roger Johnson, Dwight Lindholm and James Rooney, won 43 out of 48 debates. The record follows: Third place at the Interstate Invitational sponsored by Luther College in Decorah, Iowa; Second place at the Northern Minnesota National Forensic League Contest at Denfeld and at the

Eau Claire State College Tournament. A tie for first was awarded to Denfeld at the Northwest Invitational, held at Gustavus Adolphus. First place was won by Denfeld at the Tri-State tournament at Concordia College.

Hopes for even improving this year's record are being entertained by Mr. Sigurd Ode, our debate coach, because of the fine showing of the "B" squad. Competing in four tournaments the "B" team gained invaluable experience. The "B" team members, Dave Bouschor, Ian MacFarlane, Gwen Wohlfeil, Dave Fox, Jack Sommers, Dave Wood, Ted Litman, and Dick Whalen won 14 out of 16 debates to capture first at the Eau Claire Invitational Tournament.

While traveling 3000 miles in Minnesota, Iowa, North Dakota, and Wisconsin, the team established an impressive record for which they should be congratulated.

SPEECH

During the past year, the speech department has developed into one of the most active departments in Denfeld. The speech department is composed of humorous declamation, dramatic declamation, original oratory, memorized oratory, discussion, poetry reading, and extemporaneous speaking.

This year our speech group, under the supervision of Miss Callie Merritt and Mr. Joseph Dunn, consisted of thirty members who participated in several speech meets. Miss Ethel McHugh and Mr. Sigurd Ode aided the group greatly in discussion and extemporaneous speaking.

Denfeld was the host to the invitational meet held on January 17. At this meet there were ten members from Denfeld who received superior ratings. The next speech meet was held at Coleraine on January 31. Of the thirty participants from Denfeld, eleven received superior ratings.

Receiving top honors at the National Forensic League on February 12 to 13, the Denfeld speech team won the N.F.L. trophy. Kay Olson copped first place in humorous declamation and Sheldon Karon copped first place in oratory. Securing second

places were Arden Whitely in dramatic declamation, Jack Sommers in extemporaneous speaking, and Dwight Lindholm in memorized oratory.

On March 10, the District 26 contest was held in the Cloquet High School. Our winners were sent to Proctor to compete in the regional meet held April 3. Out of six possible first places, Denfeld took four. The four winners were Sheldon Karon, extemporaneous speaking; Arden Whitely, dramatic declamation; Dwight Lindholm, original oratory; and David Bouschor, extemporaneous manuscript reading. These four winners participated in the state meet at the University of Minnesota. Copping state honors, Arden and Dwight received superior ratings while Sheldon and David received excellent ratings.

Deserving of considerable mention here is the winning of the state American Legion contest, consisting of an original oration and extemporaneous speaking, by Sheldon Karon.

Considering the facts presented, the Denfeld speech group has made an impressive record throughout the state.

Pyramid

The responsibility of student government is shouldered by the Pyramid club. Each home-room is represented by an elected member.

A large part of the Pyramid meeting is used for the discussion of school problems. Weekly bulletins are distributed containing timely hints and suggestions in order to improve conditions and the student body.

Making things run smoothly without breakdowns is the job of Cosmo Rich, president, who is ably assisted by Miss Louise Hall, adviser.

Aside from their role in student government, the Pyramid also does a commendable piece of work in charity. This is "Tag Day," the day when students show their unselfishness, helpfulness, and generosity by contributing to this fund, which is used to buy Christmas dinners for needy families.

Library Cadets

If you need help in finding material on various subjects, here are courteous cadets who are willing to lend aid. Their main duties are to check out books and to keep the room attractive by special displays and orderly shelves.

Are you having trouble trying to decide your future vocation? The Counseling Nook has been very helpful in supplying you with the needed material. Full information on the major colleges can also be obtained in this department.

The incentive to read is produced by the quietness, the picturesque murals, and the fine selection of books and magazines.

Valuable experience with books and people will be gained by these cadets under the guidance of Mr. Clarence Rosval.

Much credit and appreciation for a job well done is certainly due the E.C.A. committee under the leadership of Miss Helen Thompson and the three-year plan cadets under the leadership of Miss Marjorie Riddle for the enormous amount of important work they have performed this year. Among their many jobs are keeping tab on all program changes and the extra curricular activities each student participated in.

In an emergency such as this we have a capable First Aid Squad, under the direction of Miss Huisenfeldt, the school nurse. You have seen this squad at all sports events because it is their duty to assist at accidents or any other emergencies that occur.

Selling, ordering, making reservations—all are part of the routine for the Denfeld School Supplies Association. That's a pretty big order for two girls to tackle, but they do it very capably with the help of Mr. Herbert Spencer, faculty adviser. The D.S.S.A. opens before school and is open during lunch periods and after school. Denfeld students really appreciate being able to get their school supplies here.

During the lunch hour one of the busiest little places in the school is the candy shop. Behind the counter is a very fine group of girls ready to serve the students most courteously. We certainly feel that a great deal of the success of the candy shop is due to the expert handling of Mr. Earl Peterson.

There is good business practice in work such as this and we appreciate the fine job these two girls have done in caring for the Denfeld finances this year. Much credit is due Mr. Spencer, adviser, for the many tedious hours he has spent.

A CAPPELLA CHOIR

Always a welcome group of entertainers is the Denfeld A Cappella choir, one of the school's finest organizations. The choir has not only performed at school concerts and assemblies but also at many functions outside of school. Three of their engagements outside of school were at Lincoln Junior High School, West Junior High School, and Duluth Junior College.

The success in their performances is attributed to the fine direction of Mr. Edgar Felten. Their selection of music ranges from the sacred to the lighter type of music fitting the specific occasion.

This year the A Cappella choir journeyed to St. Paul, Minnesota, where they sang for the Patrick Henry High School. This was the choir's first engagement outside of the city.

Besides the choir, we have two other fine vocal groups, namely the Girls' Ensemble and the Melody Four.

During the four years that the Girls' Ensemble has been singing, it has derived much pleasure as well as pride of achievement in its work. This vocal group originated in West Junior High School. Because of their ability to sing so well together, they were given the opportunity of continuing their ensemble in Denfeld. In their years at Denfeld they added a few members, practiced together diligently, and soon became one of the finest musical groups at Denfeld. This year they have gained recognition through their many superb performances outside of school.

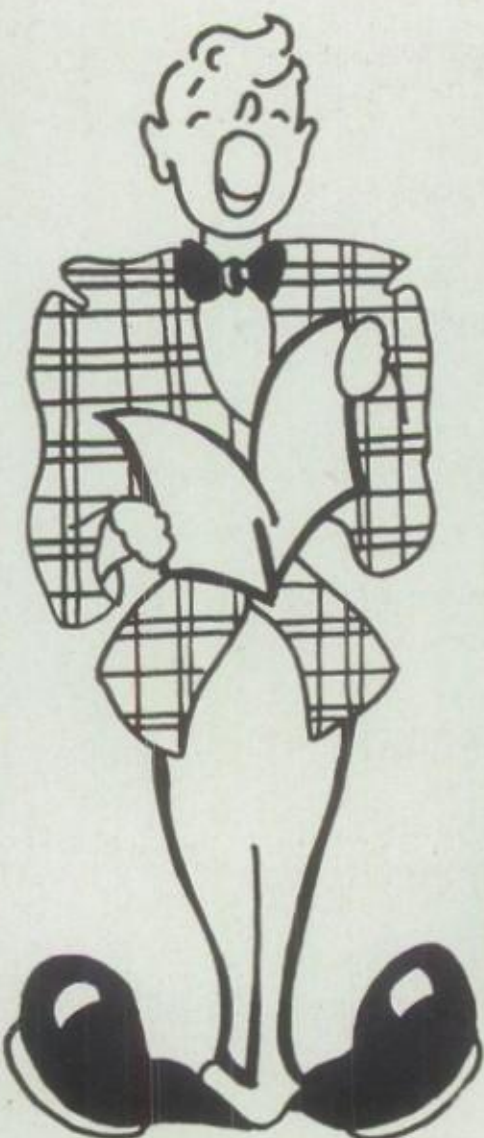

The Melody Four consists of four senior boys who, because of fine voice quality and harmonizing ability, have been singing together for two years. Appearance on a number of school programs has gained for the quartet a musical polish that has made their performances pleasing to the audiences as well as profitable for the boys.

Service Orchestra

Providing the musical background for Denfeld dances this year was the fourteen-piece Denfeld Service Orchestra. The orchestra performed for ten dances during the year beginning with the Touchdown Trot in September and ending with the Couples Dance in April.

The orchestra improved its appearance by purchasing new maroon and gold stands. The singing of Kay Onsgard and Eddy Anderson added variety to the dances.

At the annual vodvil, the Service Orchestra placed second in the "long act" division, and later in April was asked to play for the Senior Prom at Crosby-Ironton High School.

"Merry Christmas!" Strange as it may sound, that was the Denfeld Orchestra's debut into the school life. This overture was performed for the annual Christmas program.

String ensemble and trios chosen from the orchestra have performed before a Board of Education grand meeting and a number of luncheons.

"Sweethearts," our all school operetta, employed the orchestra for an overture and intermission music. During the operetta, Mr. Felten conducted them in the openings and finales of the acts.

Concluding their series of performances was the Easter program. They appropriately closed the season with "The Palms" and "The Holy City."

They also presented two fine concerts, one at East Junior High and another at West Junior High. Their programs were varied and extremely entertaining ones. Among other performances which they have made were the annual Christmas concert, the annual band concert held at Denfeld and their performance at the gigantic high school music festival.

plied by a fine group of twirlers. This year's team used dancing as an added attraction to vary their routine. Their performances at the vodvil and operetta were outstanding and afforded them much recognition as a very talented twirling team.

Make them feel we're behind them is probably the motto of the cheerleaders as they lead the excited spectators in a big "Fight, Team, Fight." Surely the best medicine for a contesting team is the full support of their sport fans. A fine team of cheerleaders this year has done a splendid job of arousing this type of school spirit among us.

Opposing Teams Detoured a Few

The Denfeld Hunters, studded with returning lettermen, had a very surprising year. The grid season was opened when the Maroon and Gold battled the visiting Anoka team in one of the most thrilling games of the year. The Hunters suffered their first defeat at the hands of Anoka by a score of 2-0.

Before a large crowd the Hunters made the comeback of the year to down the confident Crosby team 32-6. The Hunters were trailing 6-0 at the first period but came through to surprise the fans with five thrilling tallies.

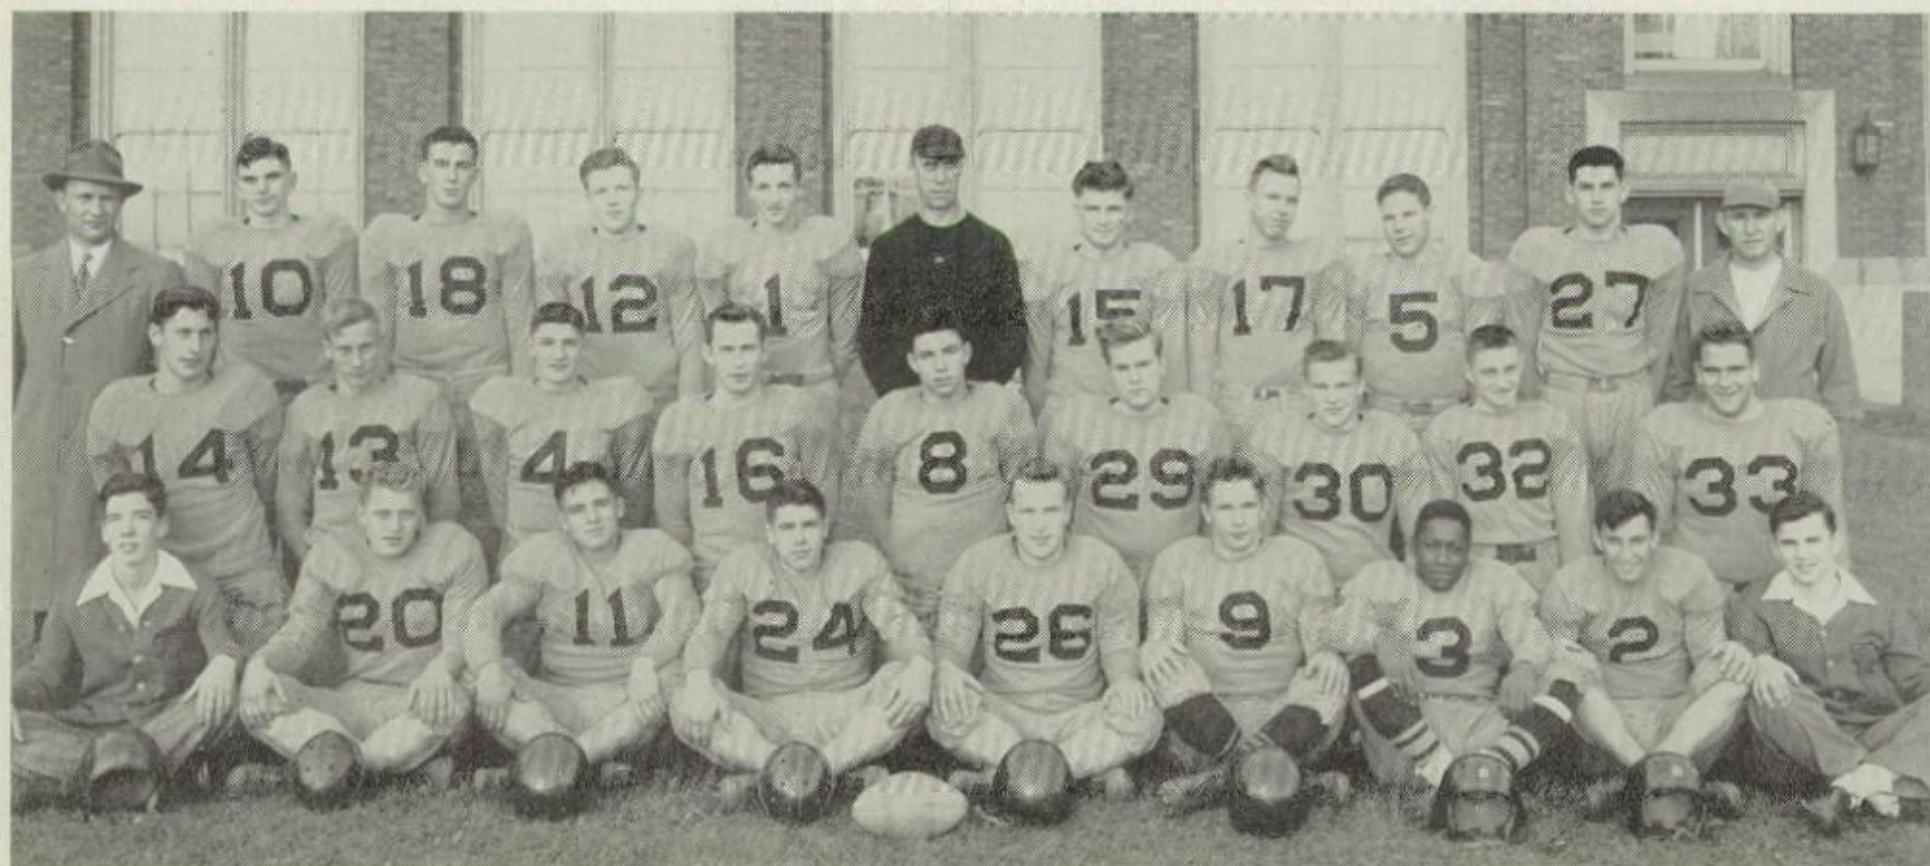

The third game of the season was an overwhelming victory over Morgan Park. The Hunters eleven

showed the Denfeld fighting spirit as they battled to a 26-2 victory over the Wildcats.

What seemed to be the most bitter defeat the Hunters would taste was the last minute rally by Superior Central to clinch the game at 16-13. The Hunters led throughout the game only to lose in the last forty-five seconds of the final quarter.

The Hunters' next defeat, 19-0, was at the hands of Aberdeen. The Golden Eagles started what appeared to be Denfeld's decline by scoring rapid touchdowns. From this game on, the Denfeld team didn't win a game.

The Hilltoppers gave the Maroon and Gold their

next defeat by an upset of 20-0. The Hunters tried desperately but fell to the powerful Cathedral eleven. With this victory the Cathedral Hilltoppers had clean sailing to capture the city crown.

The Hunters yielded to the mighty Hutchinson squad in a 20-0 upset. This was Denfeld's first game with Hutchinson and was very exciting, though they were beaten. The Maroon and Gold returned, determined for a better showing in their next game.

The game looked as though Denfeld's Hunters were making a comeback. The Eau Claire team

scored in the second period, keeping the Hunters on the defense. The Maroon and Gold came back in the third quarter with the tallying six points leaving the game at 6-6 deadlock.

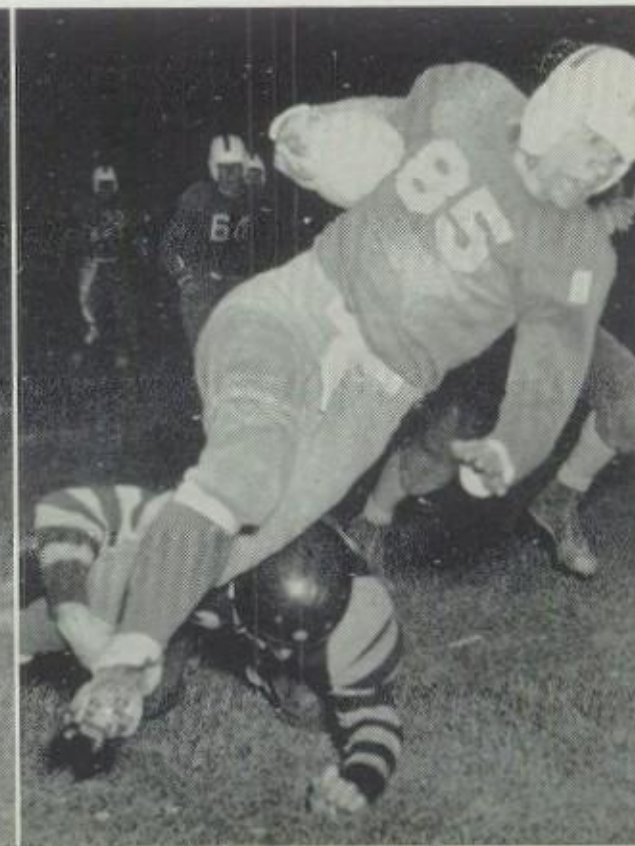

Before an anxious crowd of roaring spectators, the Hunters battled their Trojan rivals to a 16-0 score. Denfeld held the Trojans during the first half with each team looking equally well. The Red and White came back to hand the Hunters their fifth defeat in 30 encounters during the third and fourth quarters, with two tallies and a field goal from the nineteen yard line.

B SQUAD

Although the B Squad lost the four games they played this season, they put up a hard fight and made a promising showing for future positions on the A squad.

The first game against Hermantown was a very close one; the final score was 7 to 6. Two Hermantown players suffered injuries in the first two minutes of play.

The second game was against Central. This game was also closely contested. With only a few minutes

left, Central scored on a pass play. Then they made the extra point that won the game for them 13 to 12.

Two Harbors was our next opponent. The Bees fought hard, but experience proved to be the deciding factor as Two Harbors scored in the final minutes of the game. The game ended 14 to 0.

The last game for the Bees was with Cathedral, which likewise proved discouraging as Cathedral managed to win by one point.

Baseball

This summer saw Denfeld High School sporting a victorious baseball team. This season was the first that the Hunters participated in baseball, but this was no handicap to them as proved by their outstanding record. It took one tie and thirteen straight victories that brought with them the District 26 and Regional crowns before the Hunters suffered their first two defeats. This defeat occurred during the state playoffs when Denfeld bowed to St. Cloud 3-2. Coach Hunting and Captain Lawrence Tessier, we are proud of you and our team.

Golf

Contributing to the list of championships earned by Denfeld students this year was the Denfeld golf team. Showing their ability as champion golfers, the team walked off easily with the District 26 championship. Captain of the team this year was Bill Rose. This year's team owes much of its success to Walter Hunting, their fine coach.

BASKETBALL

The 1948 edition of the Denfeld High basketball team presented many new faces due to the great number of men graduating from the 1947 State Championship team.

Returning champs were Jerry Walczak, chosen this year's captain; Tony Skull, who missed some of the early season games due to a leg injury; Bruce Budge, lanky center who shines on rebounds; and Howie Tucker, long shot artist. Also playing with the first five were Leon Mitchell, a sophomore, and Dick Bianco, a junior.

With Coach Lloyd Holm returning to tutor this fine bunch, prospects for a good season loomed high. Their first game, one point defeat at the hands of Superior East, set the team in a serious frame of mind. To the extreme enjoy-

ment of all Hunter fans the Denfeld five edged out a favored Waseca squad 43-42 early in the season.

Close on the heels of this timely triumph came a decisive defeat at the hands of Crosby-Ironton, the strain of the previous night's victory proving to be too great an obstacle. Denfeld also traveled to St. Croix Falls, Wisconsin, where they paraded their might in overcoming the home team 42-41.

The Hunters wound up the year with a five hundred percentage in the Big Six by winning five and dropping a corresponding number of contests.

In their opening game in the District 26 tournament Denfeld lost a thriller to Cloquet, who went on to garner district title honors. For

their outstanding playing ability Jerry Walczak, Tony Skull, and Bruce Budge were placed on the District 26 all-star squad.

Denfeld shows promise of having a well de-

veloped team in the very near future as the "B" team also recorded a five hundred average and the sophomore squad registered twelve wins in their fifteen starts.

CROSS COUNTRY

Eyeing their first meet of the season, set for October 10, the Denfeld cross country team knuckled down fast and began practice the first day of school.

With capable Waldemar Johnson back as cross country coach and Jack Gollinger acting as student manager, the boys were ready to proceed. Lanky Rodney Ridgewell was elected captain for the ensuing season. Rounding out the first squad were Dick Bowman, Milton Caya, Dick Erickson, Manley Grover, Elwood Laakso, Jerry Leavitt, and Lloyd Armburst as alternate.

The October tenth meet against Central was held as scheduled, and the Hunters stacked up well against their Trojan adversaries as they defeated the boys from Troy 20-35. Later, this rangy group played host to Minneapolis North at Enger Park. The first Hunter crossing the line finished third as they bowed to the visiting team 26-29.

At this point, for the benefit of novices, the following statement is in order. Scoring in a cross country meet is handled differ-

ently from the usual procedure. The team with the lowest number of points (points counted are points against) emerges the victor. Next, the Hunters defeated the Trojans 21-40.

Grand Rapids, November 1, marked the time and place for the next event. In the following heated duel, Ben Finch of Central, clipped two seconds off the existing record to place first. Denfeld's Elwood Laakso tied the old record to cop second. Denfeld won this one with 24 points. Morris Agricultural College, Grand Rapids Agricultural College, and Hibbing High also competed.

The state tourney was held November 11 at Lake Nakomis, Minneapolis, with Denfeld braving adverse weather to compete. The 49 points held by Minneapolis Southwest were enough for victory, the Hunters' 83 points placing them second.

This year's cross country team was the best one Denfeld has ever had as the foregoing records prove.

TRACK

Track is continuing to grow at Denfeld this year, as it has begun to bring statewide acclaim to the school from performances of the past few years.

This year finds many new faces in and around track training quarters including a new coach, Sigurd Ode, who was himself a track star in high school and Luther College. With the able assistance of Waldemar Johnson, who has charge of the weights division, Coach Ode is developing a promising squad.

As this Oracle goes to press the squad has already won honors in the Metropolitan Meet at Minneapolis. Here they captured 11 points and sixth place in the meet, while winning two events. The meet's fastest dasher in the 60 yard event proved to be Denfeld's Bobby Daniels. Co-captain Bloomquist was sixth in this event.

In the half-mile relay, Denfeld's group composed of Don Bloomquist, Bobby Daniels, Ed Ciebia, and

Jerry Leavitt won a startling victory, finishing nearly fifteen yards in advance of the nearest competitor. Also gathering points for Denfeld was Harry Johnson, who placed fifth in the shot put. Co-captain Jim Anderson had a second place heave but stepped on the toe-board to nullify his throw.

This means Denfeld has the state's fastest 60 yard dasher and the fastest indoor half-mile relay team. Thus the squad, with coaches Sigurd Ode and Waldemar Johnson and co-captains Jim Anderson and Don Bloomquist at the helm, has high hope of placing well up in this year's state meet and other contests.

The schedule for the season includes in addition to the contests already mentioned: Inter-Class Meet, Eveleth Relays, Hibbing Invitational, Carlton Invitational, City-District, and a Triangular to be arranged.

HOCKEY

For the third year in succession Denfeld High School's hockey team has brought home to Denfeld the City and District 26 championships.

This phenomenal team actually scored 74 goals before any opposing team netted one puck against them. They finished the regular season meshing 93 pucks to the opponents' 2. In a post season game, they beat the highly rated Junior College team 8-2.

In the regional tournament they met their first difficulties with Hibbing as their first opponent. They had to come from behind and finish fast to beat that team 7-6. Then that all too true adage "History repeats itself" showed up, and for the second year in a row Denfeld bowed to Eveleth 2-0 in the Region 7 finals.

Plunging into their second season, the Denfeld swimming team came out on top with honors. Competing in two meets against Proctor, they were successful in drowning out their rivals with a 31-28 victory in the first meet and a 49-27 victory in the second meet. Adviser of the team this year was Mr. Nordal Anderson.

Some of our most breathless moments are probably those spent while watching our daring tumblers. Commanding a large applause were their performances between halves of the basketball games. We

are still laughing as we recall the daring feats of the foolhardy clown. Under the direction of Ray Mickolajak, success was theirs at the Boys' Union Vodvil when they won first place in their division.

Riding for a fall? Not these boys. Their ability as expert skiers needs no questioning. They have added another trophy to Denfeld's collection by capturing third place in the state tournament this year. We are proud that one of our Denfeld skiers, Rodney Johnson, was rated the best jumper in the state. With Ray Mickolajak as their adviser, they have set a fine record.

Denfeld girls are presented a well rounded athletic program. In their sophomore year, girls are taught the skills of the various team sports. Juniors at Denfeld learn the special techniques of individual sports. The girls are given a chance to use the skills they acquire in "gym" to good advantage in the seasonal tournaments which are carried on throughout the entire school year.

Early this winter a new sport was added to Denfeld's girls' athletic cur-

"A Murder Has Been Arranged" Tonight

By using the Denfeld auditorium as the actual setting, the Junior Class Play uniquely and interestingly staged a ghost story.

The story centered around Mr. Charles Jasper who on his fortieth birthday planned a party for his friends while his only living relative arranged his murder. The audience thrilled and chilled to this realistic play, especially when Charles Jasper came back to life and when the Mystery Woman made her appearance.

Mr. Joseph Dunn, director, deserves much credit for the success of this play.

The Sophomore Class Play, "The Babysitter," presented December 3, was a hilarious comedy depicting the trials and tribulations of a teen-age babysitter.

Carrie's troubles started when her boyfriend was forced to break his date with her on the very night of the dance because his parents believe that she keeps him out too late.

Junior, a little terror whom she was minding, made the situation even more complicated.

This play was a sparkling success and both the cast and Mr. Joseph Dunn deserve the highest praise for their splendid work.

This year the Senior Class presented a play which held all the fascination and humor of the gay nineties melodrama. It follows the old pattern, in which the villain, who has prophesied the hero's end, is about to make off with the heroine. His plans, of course, are foiled with the appearance of the hero.

This is the first play of this kind ever to be produced on the Denfeld stage. The audience enjoyed this tale of a persecuted heroine, where virtue triumphs over villainy.

Not only the audience enjoyed this play, but the cast had twice as much fun putting it on. It will be remembered by the audience as a most enjoyable evening.

With Singing That Can't Be Beat

Operetta

When the Denfeld Girls' Club presented the Operetta, "Sweethearts," this year, the whole school took part in the successful production. We can hardly thank Miss Ellen Smith enough for her fine direction of the operetta. Coaching in musical numbers, dances, stage presence, and publicity is but part of the training, which helps to develop the poise and confidence of our actors.

Because of popular demand, the performance was given a third evening. Edgar Felten assisted in training a hundred voice chorus and directed the orchestra.

It was the first event of its kind at Denfeld and a great tribute to the school, faculty and students.

The Christmas Program

Of the events at which Denfeld observes the glorious Christmas season, none is more beautiful than the annual Christmas program in our auditorium. The music of the band and the orchestra, the song of the a cappella and the chorus, and the magnificent portrayal of that holy night through the pageant—all add up to a very inspirational performance.

The efforts of Miss Mattson, Miss Smith, Mr. Felten, and Mr. Swartley in the directing of this fine yuletide production are so very deserving of our whole-hearted appreciation.

While Driving For Marks, Honor Is Gained

Wearing the traditional grey cap and gown, the graduating class marched down the aisle to the strains of Pomp and Circumstance on May 28.

Following the seniors was the Honor Court, composed of students with high scholastic averages. While the Honor Court made an attractive picture on the stage with the girls attired in pastel formals and the boys in dark coats and white trousers, all eyes were turned and voices hushed as our gracious Queen Carol Parent entered and proceeded down the aisle in the splendence of shimmering white satin.

After her coronation, by Dr. Wood, she ascended to her throne where she awarded the honor "D's" to deserving students.

And So Our Journey Ends

Dear Maureen
Well I can't write
and state especially in this
paper. I will sure am
glad our journey isn't
ending. I don't see a lot more
of you. I don't know how
to say mean to me, but
I'll just say keep Christ
first in your life as you
have so far and then
well meet in heaven and
have a good time

1958

Remember, Seniors,

Keep this date

For your class reunion

In '58.

Farewell to Our Many Friends

Dear Maureen

I'm at Lough now, I stopped
in after school. Betty & I have
not been talking so fast that
I can't think. — Shall I give
you the old line? — No — I'll
tell you the truth. I can't remember
when I started going with you or
how it happened but that isn't
so important — it's that it did.
Your creation against her helped
me more, I mean it. (I'm at home now)
I like to see you pray too — you
know heaven, really open where
you pray — I'm not kidding either.
Maureen we may be together
for some time yet but if we get
separated somehow — say if we go
to different schools or something — well
~~always~~ be together in heaven any
way. I'm looking forward to that
day. — We still haven't had that little
talk — let's get together soon. In future
days and years remember Philippians 4:19.
and "Trust and obey for there is no
other way to be happy in Jesus."
P.S. If you can't read Love in Christ
it I'll read it for you. Kathryn

Dear Marlene,
Loads of luck
to a deserving gal.
Have fun this summer
and I'll see you next year.
Love,
Arlene Smith

Dear Marlene
It's been lots of fun
knowing a nice Christian
girl like you. Loads of
luck and love in the
future
